Eco Schools / School Council News

This week in school pupils have been learning about Democracy. Children have been learning about why democracy is important to maintain law and order, providing freedom of speech and helping achieve equality. The pupils have put into practice what they have learnt this week by voting for a class representative for both Eco Schools and the School Council.

Both Mrs Dulhanty and Miss Green have been astounded by the efforts pupils have made this week when delivering their speeches to their classes. All of these pupils have supported their speeches through pictures, power points and most of all avid enthusiasm! Thank you so much to all the pupils who participated. The staff at Lowton West are incredibly proud of all these pupils.

Every pupil who took part has been congratulated by Mrs Westhead for their efforts and has been given a Headteacher's award.

Results from the ballot are as follows:

| School Council | | | Eco Team | |
|----------------|----------|------------|----------|-------------|
| Class 5 | Bo I | Harrison P | Class 5 | Elijah F |
| Class 6 | Louie M | Victoria R | Class 6 | Molly |
